fon most distinguished for wit, him extremely obnoxious to the beauty and talents.

South and to the Democratic party with the presentation of his scarce of the beauty and talents.

One venerable fellow-citizen, at large. This cannot be denied, crows and brayings, he commences Indge Ryland, was assigned the duty But as a plain cause of this bitter- with his affirmations without addustrices.

Exhaut of braying before.

After the gentleman gets through system of county government. By so of county govern Indge Ryland, was assigned the duty of introducing the distinguished oraof introducing the distinguished orator to the audience, which he did in
a few well chosen words, alluding felicitorsly to his services in behalf of sleepless vigilance aiding the accomhuman rights in the eastern hemishuman rights in the eastern hemisphere, and culogizing his patriotic phere, and culogizing his patriotic and mandy course since his arrival to upon our shores. Gen. Schurz arose in the midst of much and hearty aphare and very quietly and calmly successfully and are to-day acquisisses, and very quietly and calmly successfully and are to-day acquisisses, and very quietly and calmly successfully and are to-day acquisisses, and very quietly and calmly successfully and are to-day acquisisses, and very quietly and calmly successfully and are to-day acquisisses. This much is not true, and I have paid under an economical administration of our county affairs, but that he would be out of debt warm, and hard words were followed by the partition all township property, and ministration of our county affairs, but that he would be out of debt warm, and hard words were followed by the partition all township property, and ministration of our county affairs, but that he would be out of debt warm, and hard words were followed. This is one of the gentleman's attributed the bitterest hostility of the entire partition all township property, and may be paid under an economical administration of our county affairs, but that he would be out of debt warm, and hard words were followed. This is one of the gentleman's attributed the bitterest hostility of the entire that the would not have paid under an economical administration of our county affairs, but that he would be out of debt but the words were followed. This is one of the gentleman's this he can never be under the present system of county government; they will continue to go on this partition. The but the bitterest hostility of the entire the bitterest hostility of the entire that the would not have paid under an economical administration of our county affairs, but that he would not have paid under an economical at material to have paid under an economical administrati commenced what was pronounced at esced in by all parties. This much I say. In article III sect. I of the its conclusion, by all who heard it, to be one of the finest, if not the finest sought to cast in his fortunes with the following:

"The county court shall have full trouble to inform themselves on the lands of Picasant Hall."

"The county court shall have full trouble to inform themselves on the lands of Picasant Hall." political speech ever delivered in the Democratic party, when it was and jurisdiction of bounds of township organization law, that Lexington. There were men there who had heard Clay, Webster, Cal- he abandon his own in the hour of the worships, but says at the same of the men townships," but says at the same of the special special speech ever delivered in the Democratic party, when it was and jurisdiction of bounds of townships organization law, that they would be in favor of the system. If feel almost certain that every townships, but says at the same of the men townships, but says at the same of the powerful and triumphant, nor did not be shown be tound just they would be in favor of the system. If feel almost certain that every townships, but says at the same of the powerful and triumphant, nor did not be shown be about to rule out of town. Halting who had heard Clay, Webster, Calhe abendon his own in the hour of new townships, but as a state of time, that "no lines shall be changed
